 T Davis (Town Clerk) Cllr B Troop and L Bennet

A Member of the Barton Town Football Club was present and explained the application PA/2024/398 for additional draining to the pitches and new LED Lighting. The poor draining is having a negative impact on the number of matches that can be played and this year there were over 25 senior games lost.

Drainage will feed into Butts Road drains. It will be underground and it will be possible to work with the leagues whilst the work is undertaken to reduce the impact on the season next year 2024-2025.
