

BARTON UPON HUMBER WHAT'S ON p12-13

At the end of the month Barton's Baysgarth Park parkrun celebrates its first birthday

Parkrun's 'birthday'

Saturday mornings, for many, start with a parkrun. Some just want to have a weekly run or walk with the opportunity to catch up with friends. Some want to beat their time from the time they ran before or chase a new Personal Best. Some are parkrun tourists who want to visit different locations and/or chase challenges like the Alphabeater (where they complete an event starting with each letter of the alphabet (except X - as none exist!). And, some never participate but turn up most weeks to volunteer to enable us to get the event on safely and smoothly.

After lots of behind-the-scenes hard work and planning, Baysgarth Park parkrun started on September 30, 2023. Since then, (up to and including event 48 on August 24) 2502 participants have completed 6731 parkruns covering a total distance of 33,655 kilometres including 1,397 personal bests being recorded. A total of 199 individual volunteers have volunteered at the event.

The event was presented with the Good Mark Award by Barton Civic Society at the New Year's Day Event (an extra event above and beyond the Saturday morning norm). This was awarded for the hard work and perseverance setting up and running the Baysgarth Park parkrun benefiting local runners and attracting visitors from around the country and, in April, Baysgarth Park parkrun gratefully received the new Town Award for Organisations from Barton Town Council in memory of Mrs Wendy Witter who dedicated most of her life volunteering in the community of the town.

We've collected donations from our participants at several of our seasonal events for the Barton Area Food Bank and plan to do this again

Members of the Parkrun team with the Barton Town Council Annual Award 2024

on a regular basis. Barton Tourism Partnership arranged a Runner's Reward Scheme where several eateries in the town offer discount or special offers to parkrun participants after Saturday morning events which has proven popular for those seeking a "parkrun breakfast fix".

Without our army of volunteers we wouldn't be able to host the weekly event. The majority of the tourists who visit comment on what a lovely

park we have here in Barton-upon-Humber, and the course, despite technically tricky in places, is also very popular and they always remark on how friendly our volunteers are. It's never too late to get involved in parkrun, for more information see our website www.parkrun.org.uk/baysgarthpark or find us on Facebook.

parkrun is a collection of 5km events for runners, walkers and volunteers

that take place every Saturday morning at more than 2,000 locations in 22 countries across five continents. parkrun was founded by Paul Sinton-Hewitt on October 2, 2004 at Bushy Park, London

Barton Upon Humber Town Council Meetings

All meetings are held within the Assembly Rooms on Queen Street. Members of the public are welcome at all meetings and the council welcomes attendance. There are many different meetings covering a wide range of council services and projects. There is a designated time prior to the meeting commencing for members of the public to be able to address the councillors and the opportunity is there to remain at the meeting and listen to the councillors debate and decisions.

Assembly Rooms Update August 2024

Since receiving the £5K UK Shared Prosperity Levelling Up funding, match funded by the Town Council, the Feasibility Study is now complete and will be used as part of funding applications to further improve and enhance the Assembly Rooms.

Further great news from North Lincolnshire Council Community Funding – an award of £26,654 has been granted to the Town Council to fund a new lift. With a further £7,000 from the Town Council reserves this has enabled the order of a new fit for purpose lift to be installed. This will benefit such a lot of people visiting the Assembly Rooms in the future.

The Town Council Repair and Replacement windows project has begun. The four Georgian windows downstairs have been removed for repair and the upstairs ones will be taken away over the next few weeks. The remainder of the windows are all being replaced. It is hoped that this project will be complete by the end of September. This project is being completely funded by the Town Council as part of its long-term ambition to completely renovate and repair the Assembly Rooms.

The Town Council welcomes any feedback from the community in relation to the Assembly Rooms. Please feel free to email on info@bartonuponhumbertowncouncil.gov.uk or call 01652 633598 with any questions or comments.

Barton Youth Hub

Barton Youth Hub officially opened on Friday September 6 with a soft opening. The Youth Hub will be open on a Friday evening from 5pm to 7pm at the Hub on Maltby Lane until March 31, 2025. It is very much hoped that further funding will be found to continue the project, aimed at 11 to 15 year olds, long into the future.

Barton Upon Humber Youth Hub

Opening Night
Friday 6th September 2024
5pm-7pm

Age 11yr -15yr welcome

No charge to attend – lots of activities and refreshments.

The Hub, Maltby Lane, Barton Upon Humber, DN18 5PY

The Council is still looking for a permanent Senior Youth Worker and would love to hear from anyone wishing to apply for the role as well as any volunteer youth workers who would be able to give a couple of hours on a Friday evening to support the staff. This would not have to be every Friday evening as a rota can be developed.

The Neighbourhood Policing team will be calling in from time to time and we have much valued support from Community Vision. A huge thanks to them for their help with the set up and on-going support.

The Youth Hub has been made possible with a £10,000 grant award from the Police Crime Commissioner's Community Response Fund.

The annual Picnic in the Park was held on Sunday 4th August in Baysgarth Park.

The sun managed to shine through, the weather was beautiful for the afternoon and hundreds turned out to make the most of the free event. The event would not be possible without the support of both councillors and officers at the town council, who work hard making sure the event happens.

We would like to thank all the community groups that came out to put entertainment on. Finally to all of the public who came out and helped to make the event a success, it was great to see so many of you having fun and taking part in the activities

Barton Market - A Hub of Local Produce and Crafts

Held on the first Saturday of every month between 8.30am and 2pm in the Market Place and Butchery, Barton Market has become a popular event for residents and visitors alike.

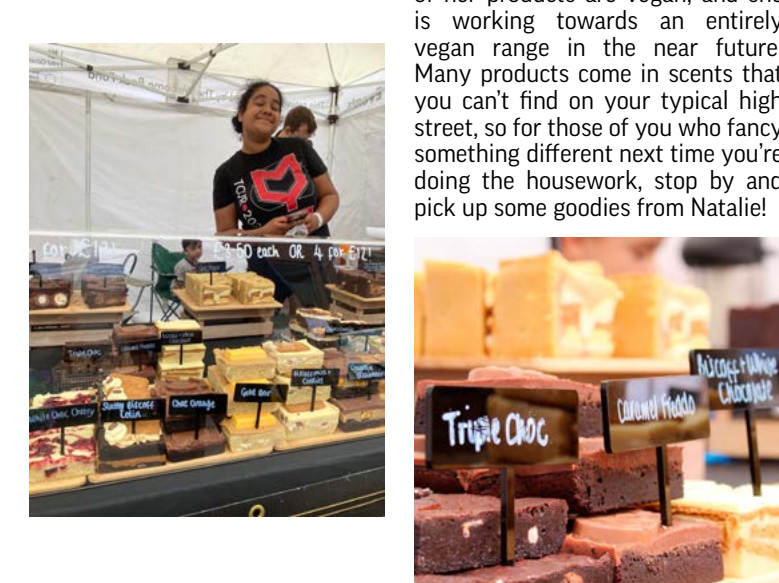

With a diverse range of stalls, there's something to tempt everyone. From fresh, locally sourced fruit and vegetables to artisan breads, cakes, cheeses, meat, and fish, foodies are in for a real treat.

Alongside the wonderful food selection, there are many stalls selling pet accessories, handmade cleaning products, garden ornaments, jewellery plus lots more.

The Bartonian caught up with a handful of stallholders at the August Market.

The Blue Whippet
 Image description - Jayne from The Blue Whippet Café in Hull
 "I hold a stall at lots of markets in the area, but I have to say Barton Market is the best one I go to. I have plenty of regulars who visit every month to stock up on dog treats and other supplies, as a result I know most of the dogs in Barton who all enjoy a free sausage whenever they visit!"
 Jayne sells a wide range of dog treats and dog-themed gifts and accessories – she even makes dog birthday cakes! Make sure you take your pooch to say hello next time the Market takes place.

Shush Scents
 Image description - Natalie from Shush Scents
 "I really enjoy holding my stall at Barton Market every month, I'm usually based at my shop in Anlaby and it's so nice to get out and about and meet the lovely folk who live here. I have regular customers who come and see me every month to stock up on cleaning supplies and I always look forward to seeing them".
 Natalie prides herself on having an almost entirely handmade range of cleaning products, the majority of her products are vegan, and she is working towards an entirely vegan range in the near future. Many products come in scents that you can't find on your typical high street, so for those of you who fancy something different next time you're doing the housework, stop by and pick up some goodies from Natalie!

Weeping Yolks
 Image - Jake from Weeping Yolks
 "As a relatively new business it was important that I got out and about in the community to try and raise awareness and get my name out there. I first held a stall at Barton Market in July, and I was thrilled to sell out of all my Scotch Eggs during the first two hours. I like to hope that my products speak for themselves, and I would love to attend this Market on a regular basis – it's great!"
 The Weeping Yolk's Gourmet Scotch Eggs are a real treat for fans of this savoury snack. Jake makes the products almost entirely from scratch, using locally sourced pork to create the sausage meat and free-range eggs from a local farm, all served with freshly made dipping sauces. The only part that isn't currently handmade are the panko breadcrumbs – which Jake informs us is a work in progress for him and he hopes to have this recipe perfected in the future!

Just Bake It
 Image description - Jame and Geshini from Just Bake It
 "We love coming to the Market every month, it's a bit of a journey from Lincoln but its worth it to catch up with the regulars who stop by for their sweet fix every month. We're a family-run business and have poured our passion for baking into our products, we hope to continue attending the Market regularly and sharing the joy!"
 Geshini is a talented baker who makes all products from scratch in her 5* Hygiene Rated kitchen in Lincoln. These aren't your standard brownies and cakes, many products are a fusion of flavours and various chocolate bars and are enough to tempt anyone. They are also great value for money so next time you visit, we highly recommend you treat yourself!
 While we were at the Market, we met Diane and Kevin who are new to the area having recently moved from Bradford.

For more information on the Market, please email Barton Town Council on info@bartonuponhumbertowncouncil.gov.uk

From Barton To Hollywood

This year Paul Tate celebrates not only 40 years in Showbusiness but also his 60th Birthday this forthcoming New Year's Eve!!!

A double whammy!!! And he says "Yellow Roses, Belgian Chocolates and Champagne gratefully received! Many thanks! Or plants for the Garden!!!" To mark the occasion, on Sunday October 6 Paul will be presenting From Barton to Hollywood, a talk, and question and answer where he will also exhibit some of his Panto Dame costumes.

Of course, having started his theatrical life on the Barton stage he will chat about his early days in the then County School and Baysgarth School shows, being a founding member of BADAOS, and in 2016 returning to Barton to create Friends At Barton, a Community Theatre group in which he writes, directs and now also performs. Nothing pleases him more than to perform once again for Barton and surrounding villages. He says "Some might remember me when I was young, thin and pretty..... well, how I look now is a result of 40 years in the Biz!!! Old, fat and ugly!!!" Paul's words, not ours. One thing that Paul has learnt is that if you can't laugh at yourself, who can you laugh at?

He has led a very varied life upon the wicked stage, and yes, sometimes it has been wicked! No doubt he'll spill a few secrets at the talk about his ups and downs along the way,

says: "I am determined to keep the costs down for local supporters and tickets will be £5. The money raised from Mother Goose will be in memory of ex-soldier, George Ellis and will benefit Hull and East Yorkshire Mind. I am a great advocate for supporting Mental Health charities having suffered myself. I'll help in any way I can. We will also be raising money for a women's refuge in memory of one of our cast members, Andrea Baker who sadly passed away this year. Andrea was my leading lady in the school shows and she is missed so much."

FROM BARTON TO HOLLYWOOD
Sunday October 6 at 2.30pm.

VICTORIAN GHOST STORIES BY CANDLELIGHT.
Thursday October 31 at 7.30pm.

MOTHER GOOSE.
Friday November 15 at 7.30pm
Saturday 16 and Sunday 17 at 1.30pm and 5.30pm.
Tickets: £5.

Tickets on sale now by calling the Box Office on 01652-635172 or you can buy tickets in person at The Wilderspin Thursday to Sunday 11am to 3pm.

In the last issue we introduced you to the new Barton Handyman Wayne McWilliam.

I'm your Handyman!

Wayne has hit the ground running, working on various projects around Barton.

His first task was to clear the Butchery of weeds before the June market and what a difference it made. Wayne has recently cleaned the seats at The Beck and completed maintenance to Dam Road bollards, planters and sign. He will be working his way around town tidying up neglected areas with much needed attention.

Keep an eye out to see where he goes next and if you want to add a neglected area to his list please get in touch with the Barton Town Council office at the Assembly Rooms with the details.

New Head for Castledyke School

Following the retirement of Headteacher, Mrs Potterton, it is our pleasure to inform you that Mrs Young has been appointed to the position from September.

Mrs Young has been part of the Castledyke family for 10 years, running our Early Years provision. She has shown over this time that, not only is she an excellent practitioner, but that she always puts the children at the heart of everything, demonstrating care and compassion for every child and ambition to drive the school forward. These qualities will make her an excellent Head of School and provide families, children and staff the stability and consistency we need as we enter our new chapter.

This is an exciting time for Castledyke and we know that Mrs Young and her team are going to provide outstanding leadership for our children.
Congratulations Mrs Young!

South Bank Players

The South Bank Players' latest Murder Mystery, which has a 1920's theme, is currently touring the area.

Starting in June at The Haven Inn at Barrow Haven where there was an excellent audience that were more than willing to get involved with a bit of amateur sleuthing to work out whodunnit! Several bookings at local WI groups are coming up, with the final performance at the Nelthorpe Arms at South Ferryby on October 19 (contact the pub for tickets). 1920s dress is encouraged!

The Players' has a new offering for Heritage Week in September when we will be leading two heritage walks around Barton on Saturday 7 and Saturday 14, starting at Baysgarth House Museum at 6pm. A guide will lead the walk, and will stop at various points along the way to talk about some of the interesting buildings. At some of the locations characters from the past will appear and tell their stories. The events are free and all the information can be found at <https://www.heritageopendays.org.uk>

The Barton Ghost Walk will begin again on Halloween as usual,

with further walks on Fridays Nov 29, and in 2025 on Jan 24, Feb 28 and March 28. Tickets are remaining at £5 per person and can be booked in advance on our website www.sbplayers.co.uk or bought in person on the night. Booking is highly recommended for Halloween as we may need to restrict numbers as it can get busy. All walks start at 7.30pm from Baysgarth House museum.

We are always looking for new members. Two new actors made their debut at our Murder Mystery and both thoroughly enjoyed themselves, so if you fancy joining us you would be made very welcome! We have parts available in the Ghost Walk that are both speaking and non-speaking, and we would welcome volunteer marshals too.

We will be looking at a new Murder Mystery at the end of October so if you would like to get involved that would be a good time...Contact Liz Drury on liz@lizdrury.co.uk

Barton Branch of the Workers' Educational Association ("Barton WEA")

Barton Branch of the WEA is giving serious consideration to closing later this year.

The national registered charity, which over the years provided employment for Rex Russell, Tutor Organiser based in Barton, followed by Geoff Bryant Tutor Organiser, for a large part of Northern Lincolnshire with many active WEA Branches and also WEA Tutor Organisers living in Barton. After their retirements and stepping down from lecturing the Barton Branch of the WEA continued to organise adult education courses and afternoon schools in the town for many years.

In the last academic year, a new start-up community group, Livelong Learning at Barton ("LLaB") has been formed by former WEA Students and is now fully up and running classes and lectures here. The WEA Branch accounts are being prepared to July 31 2024. A Branch Meeting will be arranged to consider if the Branch formed around 100 years ago has served its purpose and should be closed.

Ursula Vickerton Treasurer of Barton Branch of the WEA August 2024

Barton Modelling Club

Come along and join us at the Barton Upon Humber Modelling Club that meets on the second and fourth Wednesday of the month from 6.30pm to 8.30pm at the Assembly Rooms on Queen Street.

We bring and build our models, of all descriptions, and have members that build Lego and do cross-stitch. There is an airbrush along with extraction box for members' use. If you have a hobby and you want to share it with likeminded people, then come along. We ask for £3 per person, with discounts for family members, to help pay for the room. Tea, coffee, squash and biscuits are included in the price. We ask for under 15s to be accompanied by a parent or guardian.

Find us on Facebook, Barton Upon Humber modellers.

1st Barton Rainbows Brownies & Guides

What a great finish to the end of another successful year with the Rainbows, Brownies and Guides in Barton upon Humber.

Rainbows have received interest badges and also Bronze and Silver Awards.

All of the Brownies received at least three badges each - over 100 interest badges, Skill Builders and Theme awards. Fifteen Brownies received their Bronze Award, five received their Silver Award and Chantelle received her Gold Award.

The Guide Unit has grown over this year - Brownies are keen to move on! Interest badges galore were given out at their last meeting. A Bronze Award was received by Esme and Neve received her Silver and Gold Awards.

Last but by no means least - Rainbow and Brownie leader, Natalie, received her 20 year Service Award.

We have lots to look forward to in the next academic year - a visit to the Panto to see Annie Fanny and a sleepover at The Deep being just two of the items planned. The leaders are more excited about The Deep than the girls!

The leaders from all units would like to publically thank the parents and carers for their continued support.

We are always on the look-out for volunteers - whether just on a casual basis or leadership. If you are interested then please make contact by emailing www.girlguidinguk/joinus Someone local will be in touch with you.

Lincs & Notts Air Ambulance celebrates 30 years of saving lives

This year marks a very special milestone for the Lincs & Notts Air Ambulance (LNAA) as it celebrates its 30th anniversary.

Since airlifting their very first patient on May 13 1994, LNAA has provided a life-saving Helicopter Emergency Medical Service (HEMS) for the local communities of Lincolnshire and Nottinghamshire. To date, the life-saving charity has responded to over 29,000 missions.

LNAA CEO, Karen Jobling, said: "This remarkable charity has come a very long way since its humble beginnings in 1994, when we operated out of a temporary building and could only get to patients if there was money in the bank to fuel up the old ex-police Bölkow helicopter."

Thirty years later LNAA now responds, on average, to four missions a day. Its state-of-the-art helicopter and two Critical Care Cars enable crews to give the very best treatments, day and night, to some of the most seriously ill and injured patients when they need it most, ensuring the patient has the best possible outcome."

The 30th anniversary of this wonderful charity's service

to the community is a time for celebration as well as a reflection on how far it has travelled. Karen said: "We receive no direct Government funding, and have only come this far, thanks to the incredible support from people, businesses and communities in Lincolnshire and Nottinghamshire."

Throughout this 30th anniversary year, LNAA will be running a series of fundraising events and activities. To find out how you can get involved and help ensure this 30th year is one to remember, visit:

www.ambucopter.org.uk

Join the ‘Silent Book Club’ Revolution!

The Silent Book Club movement is a bit of a global phenomenon at the moment, and we’re starting our very own at Trinity Methodist Church, as part of the Living Later Life Well project.

What is a Silent Book Club, I hear you ask...It’s an introvert’s paradise! You bring your own book, collect a tea/coffee/water from us, get comfortable and read together in quiet company for an hour. Then you stay and chat, or head home if you prefer. There’s no pressure to socialise, no judgement or expectations – simply “be” amongst people and lose yourself in a good read. We will have a range of books available at sessions to read/take home too.

11am to 12pm and is free of charge (donations towards refreshments are gratefully accepted). Elsewhere in Barton, ShadowBridge Brewery at the Old Tile Yard is also running its own Silent Book Club on a fortnightly basis on Thursdays from 6pm to 8pm, with refreshments available to purchase.

Details of both Silent Book Clubs can be found at www.facebook.com/silentbookclubbarton (you don’t need to have a Facebook account to view the page).

For more information on Living Later Life Well activities and ways you can get involved, get in touch with Jo Marwood, Project Manager on 07821 900623 or email jo.marwood@bartontrinity@outlook.com

Grief Café at Trinity Methodist Church

A new Grief Café has started in the Community Room of Trinity Methodist Church on the second and fourth Monday of the month from 1.30pm to 3pm.

The group is led by volunteers for the Living Later Life Well project Enid Knowles and Rebecca Sheekey. Grief is something that all of us will experience at some point during our lives. The death of someone we love can be shattering. A person’s grief is unique to them and there is no ‘normal’ or ‘right’ way to grieve. There is also no time limit on grief, in either how long someone may grieve for, or how long it may take after a bereavement before someone experiences grief.

The Grief Café is there to offer support to those who have suffered a bereavement. It may be a very recent loss, or it may have happened many years ago. You could be grieving for a partner, parent, spouse or some other very special person – everyone is welcome. You will have an opportunity to meet others who have been through similar experiences, listen to their stories and perhaps share your own.

The Café aims to dispel some of the myths around grief whilst helping you to accept that grief does not go away, or get smaller, but with support your life can grow, and you can move forward with a new way of living. In a small, confidential group, with experienced group leaders, you can be supported in a warm and welcoming environment.

Sessions are for people aged 60 years and over, are free of charge and include refreshments. If you’d like to attend, please contact Jo Marwood on 07821 900623 or email jo.marwood@bartontrinity@outlook.com.

Rotary Club of Barton

Our special thanks to the people of Barton for their continued generosity which helps us to support those in the community who need extra help.

Also, to those volunteers who help us with our events including Lisa Robson and Louise Wharton who have been made Honorary Members of Barton Rotary for their continued work on our behalf and give us the venue for our fortnightly meetings at the White Swan; new friends will be made most welcome.

Thanks to Tesco and its Community Champion, Andrea, who continue to support us, Barton Lions for their support showing that like minded people from different groups can work together and achieve great results, their donation after the Beerfest towards Christmas meals is brilliant.

Also big thanks to Liz Bennet and her wonderful Ropewalk team for all the help they give to us too and with both our Variety Shows.

After the very sad passing of a valued Rotarian and special friend Ted Treasure (pictured), Barton Rotary sent a donation to the RNLI in his memory.

The Club has also supported Barton Allotments and a local Mental Health

Charity for younger members of the community. We took three local children on a fantastic holiday to Castleton, helped Barton Carnival and continue to provide events for the community with a Breast Cancer Tea Party at the Methodist Hall on Saturday August 17.

The Rotary Club of Barton upon Humber | Facebook – Dawn Coultas will respond asap!

Rotary Club of Barton-upon-Humber - welcome. (rotary-ribi.org)

To have a chat about Barton Rotary or if you can help call Roger Nowell on 07974551548

Shout out for Volunteer Drivers!

Humber & Wolds Rural Action (based in Barton) delivers a Voluntary Car Scheme across North Lincolnshire, which helps people with genuine transport difficulties over the age of 18 get to important appointments such as doctors, hospitals, dentists, clinics, support groups, local shops etc.

We are looking for more drivers to join our friendly team to meet current high demand for our service. If you have a car, enjoy driving and meeting new people (or know someone who does!) and would like to give something back to your community, we would love to hear from you.

Please contact Carole Foster on 01652 637700 or email voluntarycarservice@hwrcc.org.uk.

“You choose how much time you wish to volunteer, and you are paid a mileage rate”

Barton Shrink Map

The Barton Tourism Partnership is working on a revised edition of the Barton Shrink map.

The last 20,000 print run completed in 2017 is now out of stock and requires some changes. Looking at the old version it is clear to see how Barton has evolved over the past seven years. We will be adding new housing developments, the Lidl store and the Ted Lewis Centre.

To make sure we have an accurate map going to print we are looking for a few volunteers to check the proof copy when it is ready. If you would like to help, please email Barton Tourism Partnership secretary Liz Bennet at BTP@the-ropewalk.co.uk

Barton and District Athletic Club

Barton and District Athletic Club was founded in the 1950s and is based at Baysgarth School. Club nights are Thursdays meeting at 6.30pm and the club is for all abilities from eight years to 80 years plus.

The club’s Senior Section competes at all levels and various distances on roads, cross country and ultra distance. The club’s Youth Section (11 years to 18 years) mainly focuses on track and field during the spring to autumn, then move to cross-country for the winter months. The group meets at Costello Stadium Hull on a Tuesday evening and Baysgarth School on a Thursday evening.

As a coaching team the club’s main objectives is to ensure that each Youth or Junior member has fun, builds confidence and has full coaching support to develop their all-round to event specific ability year on year.

So far, the Youth section has competed in a number of local competitions, Humber Opens, the Humber County Championships where the athletes have won a number of county medals. The U13s to U17s compete in the Yorkshire and District Athletic Premier League competing against teams from across Yorkshire and for the second

year running the team finished 2nd to Wakefield AC. In September the club will have a number of Under 13 to Under 15 athletes representing the county team in a Track and Field meeting against other Northern Counties.

The Junior section (eight years to 11 years) train on a Thursday and is about having fun, building confidence, increasing fitness and making new friends. The coaches get the Junior athletes involved in a number of athletic activities predominantly outdoors in spring, summer and autumn and then sports hall athletics in winter. All of these develop the fundamental skills of running, jumping and throwing.

The club is family-friendly and coaches all abilities, with qualified England Athletic coaches. If you are interested in joining or require more information please email membership.badac@gmail.com

Above: BIFC walking football team lift their first trophy

Left: Barton Inclusive FC walking football team

The Triumph of Dedication

BIFC Walking Football team win their first trophy!

Our Barton Inclusive FC walking football team, after starting in September 2019, has emerged victorious by clinching their first-ever trophy where they claimed the Plate Final at the annual Alford Walking Football Tournament on Sunday 7th July 2024.

The Sweet Taste of Success
As the final whistle blew in BIFC’s 3-0 final victory over Alford, the elation on the faces of our players was palpable. Their hard work and perseverance had finally paid off, culminating in a well-deserved victory that will be cherished for years to come.

“Well what an amazing day for our club, Plate Final winners after last weeks great achievements too (where our team went undefeated at the Grimsby tournament).

Long may it continue, one very happy team tonight, get in, what a team BIFC.”

Captain Mark Bartup, who set up the team in September 2019 and has given 100’s of voluntary hours over the past four years, had this to say to his players on the day:

We are all buzzing and so proud to bring the Plate Trophy back with us, what an incredible day and I must thank my team mates. You are all truly amazing people with great pride and passion wearing our Barton kits.

A Bright Future Ahead
This triumph not only marks a significant milestone for the walking football team but also sets the stage for future achievements. With newfound confidence and a winning spirit, the team is poised to conquer even greater heights in the world of walking football.

I felt so inspired to be a part of our fantastic achievements today.

If you’d like to know more, or sponsor our walking football team for the 2024/25 season, please contact: bartoninclusivefc@gmail.com

Although the Premier League grabs the football headlines with huge transfer fees and sky-high player wages that can price the average supporter out of attending matches, in Barton there’s an alternative where you can enjoy football at fraction of the cost, get to know fellow supporters and the players... AND you can get involved as a volunteer if you wish. **May we introduce your local Non-League football club...**

Barton Town FC

There have been football clubs in Barton since 1880 with the current club formed in 1995 with the Barton Town and Barton Old Boys clubs merging to create Barton Town Old Boys, later reverting to Barton Town. Today the First Team plays in the Northern Counties East Football League, and takes part in the FA Cup and Vase competitions. The 2024-25 season got underway in July with the club targeting promotion to the Northern Premier League. There has already been some success in this season’s FA Cup competition reaching the First Round Qualifying which the club last reached in 2009.

The First Team underwent substantial changes during the summer break, with newly appointed manager Anthony Bowsley recruiting a new management team and new players to join those retained from last season. After his appointment Anthony said: “I want my teams to be fit, energetic and play with a high tempo; it’s as simple as that really. Something that people come down to see and think these are a fit side, and they’re good to watch.”

The club introduced a loyalty card scheme this year; after attending four games your fifth game is free. Those under 16 can benefit from a free season ticket giving reduced entry; or free when accompanied by an adult.

The club has teams for all age groups with a pathway from junior football through the Development Squad to the Reserves and ultimately the First Team. Last season saw Director of Women & Girls’ Football, Lynn Green, introduce a women’s team. A brand new group who had never played together; some never even playing before! As was perhaps expected, they lost their first few games. However, excellent coaching from Amy Bartup-Blinkhorn soon had the women playing together as a team and they got their first win under their belts. Going from strength to strength they ended their season comfortably mid-table.

Sat 26th 3:00pm	Campton

Champions... Barton Park Bowling Club

Why win one championship if you can win two! What a season Barton Park Bowling Club is having!

With just one game left the club has already been crowned Division Two champions with the Division Three side hot on its heels with a great chance of promotion if not as champions in the Scunthorpe and District Bowls League...and that’s not all... The Mixed Trips Three wood team is comfortably sat in third position, whilst the Barnetby League side is placed in mid table.

not about what the club can do for you, but what you can do for the club”

Equal to our success on the green is the successful integration into the club of four new players Wendy, Sandra, Richard and Stuart all of which have developed and honed their bowling skills and made their competitive debuts in the Tuesday Afternoon League and beyond acquitting themselves well even in the teeth of some strong opposition. Well done! The club prides itself on attracting newcomers who can embrace the club’s ethos of friendship and inclusivity “think

With this ethos in mind the annual BBQ recently held and kindly hosted by Barton Cricket Club saw more than 60 members and guests attend, and a great evening with much merriment was held by all!

Our cake and hot dog café at the Barton Carnival not only proved hugely popular but helps keep the club’s finances on the straight and narrow. Thank you visitors and helpers for your support! Likewise, the Picnic in the Park proved popular with both young and old alike!

Finally, a big thank you to the members who put in the hard miles maintaining and preparing the green which year on year improves. What a season!!

Barton resident completes a fantastic challenge

Ask any walker about the Yorkshire Three Peaks Challenge, and they will tell you it's one of the most gruelling walks in the U.K. To gauge just how challenging the walk is, the organisers recommend that training time could vary from 3 months or more, steadily building up a suitable level of endurance fitness to already being in condition for the challenge.

Completing the challenge is an achievement, and doing it in under 12 hours is a massive plus.

So we had to find out more when NEIL KING spoke with 80-year-old John Kneeshaw and was told that he had just completed the walk.

John told Neil: "My daughter, Lara, is raising funds and awareness for the MPN Voice charity, which helps people diagnosed with myeloproliferative neoplasm. To this end, she has undertaken several endurance events, including the Yorkshire Three Peaks challenge this year.

John added: "This is a circular walk of 24.5 miles, including a 1,585-metre ascent, and the target is to complete the challenge in under 12 hours. As it was one of her "easiest" challenges, I was asked, together with her nephew Alex, to accompany her.

I had completed the walk before, but that was many years ago, and even then, it was not easy. In the cold light of day I began to doubt if I could manage the complete walk, never mind within the twelve-hour limit. Fortunately, when the day arrived, it was overcast and cool, although a little windy; near ideal conditions.

Also, in my favour, we had chosen a Saturday when many other charity events were taking place, and I received a lot of encouragement from the participants.

John said: "Pen-y-Ghent, the first of the peaks (and regarded by some as the hardest) was completed well ahead of schedule - so much so that we missed our backup team at the first, second and third liaison points. They waited at the first checkpoint with no mobile signal, not knowing we were long gone.

"Whenside, the highest peak, is a long drag, but this time, I was buoyed by the realisation I might actually complete the challenge, and I was also hopeful the backup team might be waiting at the bottom. Sure enough, they were there, and I could rest, eat and, most importantly, drink.

"If any reader is looking to raise charity funds, I recommend this particular challenge. If I could do it at 80 anyone can!" he added.

Environment Agency aiming to invest £millions to reduce tidal flood risk

Humber Bank Barton to New Holland

The Environment Agency is moving forward with an outline solution for the Barton to New Holland tidal flood alleviation scheme, which will reduce the risk of tidal flooding to the communities of Barton-upon-Humber, Barrow Haven and New Holland.

The proposed solution includes raising and strengthening the defence to many sections, by introducing a new type of revetment to the seaward face to reduce the risk of tidal erosion and overtopping in areas where there is less natural protection, as well as improvements to the crest and footpath.

Since 2021, the Environment Agency has been working with its partners to develop viable solutions to reduce tidal flood risk to these communities. Flood modelling has been undertaken to understand the extent of flooding and the associated economic damages. Alongside this, the team has also been conducting environmental surveys, site surveys and ground investigations. Bird surveys are continuing into the second phase, and wider further surveys will be undertaken to help the team understand the ecological value within the project area. The Environment Agency is in the process of refining the costs and economic benefits to ensure the outline solution is affordable.

In February, we held engagement events in Barton, Barrow Haven, and New Holland, where concept plans and ideas for the scheme were shared. Over the course of the three days, the events were attended by over 190 people including residents,

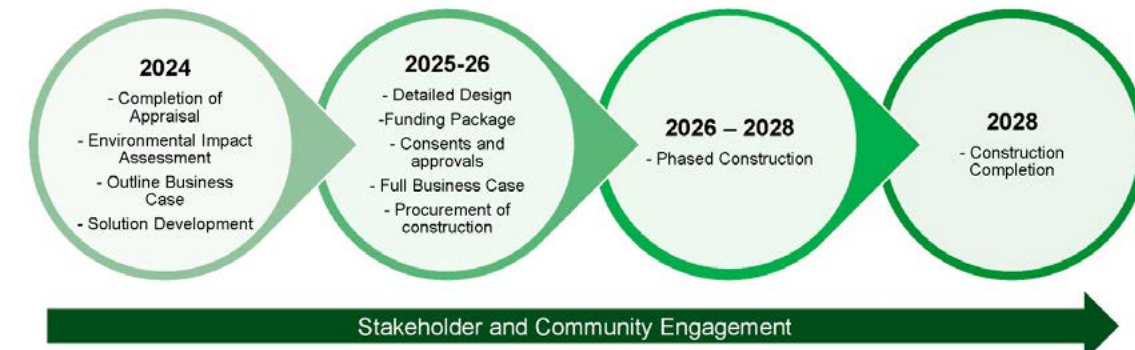

businesses, and community representatives. Findings from the feedback indicated that 89% of the respondents strongly agreed/agreed that the scheme will be beneficial for the area.

The project team is now working on the development of an Outline Business Case, which will allow the detailed design to be done through 2025. When this is complete there will be a public consultation. This work will then lead to a Full Business Case to confirm funding and enable the various required approvals, licences and permissions to be sought.

The scheme is on track to begin phased construction by late 2026 and reach completion by 2028. The Environment Agency will continue to seek partners for local funding contributions to help with the delivery of the project and for additional local enhancements.

Stay up to date with the latest news The Environment Agency is committed to innovative, sustainable and adaptable flood management solutions. This involves a proactive approach to climate resilience. By investing in comprehensive flood defences now we can enhance the protection of our communities and natural landscapes.

You can find regular project updates and the latest newsletters on the dedicated Barton to New Holland Tidal Flood Alleviation Scheme Citizen Space webpage. Scan the QR code to access to the page:

If you have any questions, or would like to sign up to receive the project newsletter, please contact: BartontoNewHollandFAS@environment-agency.gov.uk

Another successful show for Barton Allotment Society!

The show goes from strength to strength, with more exhibits than there have been for the last couple of years.

There was an excellent range of entries in the Novice Section for first timers and the Fruit Section was very well supported. There was also an increase in non-plot holders exhibiting. It was a good day for everyone in the Veg, Fruit, Flower and Novice Sections as all those who entered got a first, second or third award for at least one of their exhibits. Most points in show went to Wendy and Cyril Pallister, and most points in Cookery to Christine Patterson. The Children's Picture on a Postcard competition saw over 120 entries, making it difficult for the judge to pick the winners.

The Harry Fowler Best Kept Allotment Shield was won by Ed Cunah, with the Best Half Plot going to Pam and Phil Coggan. A full list of all the prize winners can be found on our website.

The show would not be possible without the generous support of local businesses and groups who sponsored this year - WREN Kitchens, The White Swan, Barton Town Council, Barton Lions and Rotary, MD Signs, The Humber Bridge Garden Centre and the Campaign to Protect Rural England. We are very grateful for their support as we are for all the other shops in the town who generously donated tombola prizes. Again, a full list of these is on our website.

Back on the plots it's harvest time, and then preparing the ground for the winter and spring. Green Manure

has become more of a favourite on allotment plots and in gardens as it improves the soil and provides good organic matter when it is dug in during January or February. It's also time to start spreading the compost from your own heap or bin over the coming weeks, to get the ground ready for the coming growing season.

As ever, if you want to have a plot please do get in touch.

Will You Walk 12 or 6 Miles Along The Viking Way for Macmillan Cancer Support

The Rotary Club of Scunthorpe Pentagon is again organising two walks starting and finishing at the Water's Edge Visitor Centre in Barton-upon-Humber, to raise money for Macmillan Cancer Support.

The Rotary club, in conjunction with Macmillan Scunthorpe, will provide walk leaders and marshals to ensure walkers complete the routes as safely and easily as possible, and are offering two routes: 12 miles or six miles.

Both will be along the Viking Way and will offer astounding views of the Humber Bridge and the Humber. The longer route will also take in South Ferriby and the River Ancholme.

The walks will take place on Sunday October 13, with the 12 mile walk starting at 10am, and the six mile starting at 10.30am. Plenty of free car parking is available at the visitor centre.

All walkers are asked to register by completing an application form and paying an entry fee of £10, or walk for free but commit to raising at least £10 in sponsorship. Last year the walks raised in excess of £3,400.

Walkers will receive a Certificate and Macmillan badge in recognition of their support to this very worthy charity.

Entry Forms can be obtained from the visitor centre, or by emailing RCSP@talktalk.net. Details can also be found on The Rotary Club of Scunthorpe Pentagon's Facebook page.

Barton and District History Group

Our group's June visit to the Barrow upon Humber Geology museum was like stepping into a time machine, taking us through millions of years of history preserved in stone.

The museum, with its softly lit display cabinets, offered a fascinating glimpse into the earth's distant past through an impressive collection of fossils from various eras. Among the many exhibits, the one that stood out the most was the extensive collection of ammonites. These ancient marine molluscs, with their distinctive spiral shells, have always captivated the imagination. The display cabinets were filled with specimens ranging in size from small, delicate shells to large, intricately patterned ones that were as big as dinner plates. The ammonites, which lived during the Devonian to the Cretaceous periods, are particularly significant because their fossils help scientists date the layers of rock in which they are found. Seeing so many of them in one place—perfectly

preserved, each telling a story of life from millions of years ago—was a humbling experience. As we moved through the museum, we encountered fossils from other eras as well—each one a snapshot of life from a time long before humans walked the earth. From the delicate imprints of ancient plants to the skeletal remains of prehistoric creatures, each exhibit was a reminder of the ever-changing nature of life on our planet. Our visit was not just an educational experience; it

was a journey through the annals of earth's history. It left us with a deep appreciation for the ancient world and the mysteries it still holds within the rocks beneath our feet.

Our next meeting will be on Wednesday September 25 at 7:30 P.M. at St Mary's Church Hall on Burgate when Paul Mann will deliver a presentation with the title "Doc. John's Barton".

We are still accepting articles for Heritage 7, due to be published early 2025. So, if you have any interesting topics to share, please email us at: Bartonanddistricthistorygroup@hotmail.com

Lifelong Learning at Barton (LLaB) is an independent group which formed in November 2023. The aim of the group is to provide short educational and informative courses which are open to everyone aged 18 years and above.

The courses, with refreshments provided, are organised by a small committee, and delivered by experienced and knowledgeable tutors. A fee is generally charged in order to cover tutor costs and room rental.

We are pleased and encouraged by the fact that the courses run so far this year have been well attended and greatly enjoyed and appreciated.

Simon Tomson ran an eight week course on Maritime Archaeology from January and a three week course on the Luttrall Psalter starting in April. This course ran from 1.30pm to 3.30pm on Wednesday afternoons. In addition, two successful Saturday Afternoon Talks with illustrated presentations, question and answer time and afternoon teas have been held with Neil Wilkyn speaking on Probate Inventory in May and Richard Clarke on Flooding in the Humber Area in July.

Events are planned and confirmed from September to December. Details of LLaB courses and talks can be found in the Events Section of this edition of the Bartonian.

These include a four week course to be delivered on The English Civil War by Richard Clarke (to be held on Wednesday afternoons from September 25 to October 16) and a six week course on Recent Discoveries in Roman Britain and Italy by Simon Tomson (again on Wednesday afternoons, from November 6 to December 11).

A Saturday presentation by Tony Barrett on The Georgian Navy - Lincolnshire to Trafalgar is to be held in October, with afternoon tea while Tim Stimson will speak about The Victorian Narrative Painting in November. The latter afternoon talk is to be free of charge and includes refreshments. This talk will be a 'taster' for a longer course to be held in 2025.

All events take place in the Raikes Room in the Joseph Wright Hall at the Wilderspin School Museum in Queen Street, Barton upon Humber, DN18 5QP.

Please feel free to just turn up at any session. You will be warmly welcomed. There is no need to book but it would help us to know if you are coming so please email lifelonglearning@gmail.com or call 07799754446. If you have any queries, please do get in touch.

Picnic in the Park

Performance in the Park: The Hound Of The Baskervilles

Picnic in the Park, puzzle time!

For the seventh consecutive year Baysgarth Park has been awarded the coveted Keep Britain Tidy Green Flag Award making it one of the best in the country.

The Park includes parkland, a memorial garden to the founder of The Samaritans, Barton born the Rev Chad Varah, an outdoor gym, bowling green, football pitches and a recently installed children's cycle track as well as the Baysgarth Community Hub. Perimeter pathways mean the park is accessible all year round for everyone.

Cllr Paul Vickers, chair of the Friends of Barton Parks, the organisation that in conjunction with North Lincolnshire Council has spearheaded improvements to the park commented: "I am delighted that once again the work carried out in Baysgarth Park year on year has been recognised with the award of the Green Flag".

Barton Heritage Open Days

Barton Heritage Open Days are a fantastic opportunity for you to explore the fascinating historic aspects of the town. The theme this year is Routes, Networks and Connections and visitors to the venues will be able to explore how Barton has changed over time.

Look out for our Barton Volunteers during the Heritage Open days from Friday September 6 to Sunday September 15. They will be seen around Barton wearing their volunteer T Shirts. If you need any further information on any of the events happening, please ask one of our fantastic volunteers. Barton Volunteers is always interested in gaining new members, so if you have a couple of hours to spare or would like to gain new skills email Caroline on bartonvolunteers@theropewalk.co.uk where she will be able to support you finding an event or venue which will suit your needs.

Tim and Linda

Uncovering the history of Barton upon Humber has never been so much fun! The Barton Volunteers Archive Group meets once a week cataloguing and storing a large collection of books and other historic items of importance to the history of Barton town and the residents. The group's work has enabled the Step Back in Time events to be held at The Ropewalk once a month. Due to the popularity of these events, as well as the number of images in the archives, we are making this a regular monthly event.

Our next Thursday session is September 12 at Ropery Hall with an earlier start than previous sessions with doors opening at 4pm for a 4.30pm start.

Admission to the session is free and light refreshments are provided - we hope you can make it.

STEP BACK IN TIME

PHOTOGRAPHS FROM THE BARTON ARCHIVE

Join us at Ropery Hall for a step back in time. Do you recognise any of the places or family faces? We need your help to answer the hidden questions of Barton's history.

Thursday 12th September
4.30pm - 6.30pm
 Refreshments included
 Doors open 4pm

Celebrating Barton's brilliant Indian restaurants

Some Like It *Hot!*

Indian cuisine continues to be one of the most popular takeaway options in the UK, with more than 8,000 restaurants up and down the country. We're fortunate in Barton to be home to four Indian restaurants, each offering their own twist on this popular cuisine - whether you like the heat of a vindaloo or prefer to play it safe with a korma, you'll easily find somewhere to pick up your favourite dish.

Bengal Village
Location: 16-20 Fleetgate, DN18 5QA

Bengal Village is a popular restaurant for many residents of Barton and the surrounding villages. Serving freshly made Indian dishes and unusual delicacies from India to Bengal, this is a brilliant place to pick up your favourite dishes!

"The food is amazing. The restaurant is lovely, staff are always polite and welcoming. I've been eating curry for 40 years, Birmingham to Bradford and everywhere in between and I haven't had a better curry anywhere else." - Google Reviews

The Surma
Location: 47 High Street, DN18 5PD

The Surma prides themselves on serving customers delicious, authentic South Indian cuisine. The restaurant has been serving locals delicious food since 1993 and has become one of the most established restaurants in the area. It has won several awards, including The Master Chef Award and The Best Indian Restaurant Award, by renowned food critics.

"Always a great time at The Surma, the food is always great, staff are friendly and cater to every need, the mixed grill and onion bhajis are the best I've ever had" - Google Reviews

Hasina
Location: 27 High Street, DN18 5PD

The Hasina opened in Barton in 1999 and has been a popular restaurant with locals ever since. Consistently scoring high hygiene ratings, this family-run business offers a range of speciality dishes including dopiaza, bhuna, vindaloo and plenty more traditional family recipes!

"My very first Indian takeaway since moving to Barton. A great welcome by the guy behind the counter. Not too long a wait for my order and wow the food was delicious and plenty of it. Very good value for money and will definitely be going back very soon now I have more spare time." - Google Reviews

The Raj
Location: 28 High Street, DN18 5PD

The Raj restaurant proudly serves the 'finest Indian cuisine' and is a popular choice with diners looking to experience a range of traditional Indian dishes. With both dine-in and takeaway options, plus the ability to order online - its easy to see why The Raj has so many positive reviews!

"Taken to dinner by friends from Shetland. No booking, but a great welcome with no hesitation from the greeter and we were sat immediately. The food was fantastic, perfectly cooked, well presented and hot. As we hadn't seen one another in a while we just sat and chatted and were put under no pressure to leave. I recommend this place to all lovers of Indian food." - Google Reviews

All restaurants can be found on Google, alongside menus and contact information. As dining out continues to struggle to reach pre-Covid levels, remember to support local businesses and enjoy a delicious Indian meal this weekend!

Barton FM

Richard Watts, the Station Manager has been telling the Bartonian about the station and some new developments.

Richard told us: "Barton FM broadcasts from 8 am to 10 pm seven days a week. The station is run entirely by volunteers, and quite often, these volunteers have no previous broadcasting experience. Most of these volunteers are based in Barton, but because of modern technology, they can come from further afield."

New developments
We asked if there was anything new that we should be aware of. "Our most significant recent development has been starting broadcasting on Alexa. To access Barton FM, ask Alexa to "play the Barton FM Skill". We have also added the National News at the top of the hour."

New presenter
Richard told us about a new presenter. "We love to encourage young people to get involved in the station, and we are delighted to welcome Ruby Wilkes, an 18-year-old from Barton. Ruby will be presenting a show at 5 pm on Fridays and "Alive At 5" will include local Barton News Items."

Richard revealed to the Bartonian about another young person who had volunteered at Barton FM. "We were pleased to hear earlier in the year that one of our former volunteers, Summer Halkyard, is now working full-time for the BBC and is currently based in America. It shows what a good start local radio can give those wanting a career in the broadcasting industry."

Long-running shows
"As well as developing new programming, we also have some firm listener favourites. Our two longest-running programmes are both hosted by Neil King (yes, he gets everywhere, doesn't he!).
"The Classic Rock Show features brand-new and classic rock and broadcasts at 5 pm on Thursdays and 6 pm on Saturdays
"Neil's other show, The Alternative Music Mix, plays brand-new music, pre-releases, unsigned artists and a few classics from our vaults. The show is at 6 pm on Wednesdays and 4 pm on Sundays
In total, Neil has produced and presented nearly 250 shows."

Sport
As the new football season gets underway, Barton FM will again provide live commentary on Barton Town games, home and away. Highlights of these matches are shown on Barton TV.

The station is also the only radio station in the county to offer live commentary on Lincolnshire County Cricket. We have a cricket show that covers Barton Town CC and Lincolnshire cricket.

Business
If you have an interest in all things business listen to The Small Business Big Network Podcast by Liz Drury. The show is on at 2 pm on Tuesdays and Thursdays at 11 am

COMING SOON
Barton FM is in the process of setting up a listen-anytime service; as the name suggests, you will be able to listen to some of our programmes at any time you want.

GET INVOLVED
We would welcome your suggestions for new programmes. Feel free to send us your events for us to publicise or just ask for a shout-out. We would love to hear from you.

We are always looking for new volunteers to present programmes, develop ideas for programmes, and assist with production and sound editing for radio and TV.

Falcon and Eagle Cycles

Falcon and Coventry-Eagle Cycles was acquired by Elswick-Hopper in 1978 and production moved to the Elswick-Hopper's Barton factory from the Midlands. They brought some workers to live in Barton, adding to the skilled Elswick-Hopper employees. They are seen here hand-building cycles. Production was moved from Barton to Brigg and finished in the late 1980s due to the cheap imports of cycles.

St Mary's Works Cycle Factory from the air in 1986

Cycle frames being prepared for powder-coating their colour.

Created by David Lee Photography, additional information from John French

This edition of the Bartonian marks the last contribution by David Lee, founder of David Lee Photography.

His contributions to the Bartonian from a bygone age have been some of the most-read and most anticipated pages in the new format Bartonian being commented on by many long-standing Barton families who recognized familiar faces as well as recent residents of the town keen to learn more about the town's more modern history. For many years David had a photography studio on George Street from where he chronicled life in Barton taking photographs of children from babyhood to adulthood, weddings and commercial work as well as working as a freelance photographer for all three local newspapers.

His photographs captured the construction of the Humber Bridge from the very start to the official opening in 1981 and beyond. His son Michael, who is based at The Ropewalk, now carries on his work.

Bygones will continue in future editions of the Bartonian but in a slightly different format.

South Bank Stoves

A new business has started in Barton that aims to offer a comprehensive service to customers installing log and multi-fuel burners.

Using their expertise, South Bank Stoves can guide you in choosing the most suitable equipment, designing the installation, and carrying out any necessary work, ensuring a hassle-free experience for you.

This includes:

- Log burner and stove installations
- Chimney repairs and rebuilds
- Fireplace rebuilds and alterations
- Stove repairs

The business owner, Wayne Clayton, has more than 11 years of experience in the field and is fully qualified to HETAS standards.

He said: "Many people have been affected by rising energy costs and are considering installing a log burner. We want to ensure people get the right equipment for their home and pride ourselves on offering a quality comprehensive service." He added: "We offer free advice and quotes and can help customers design their project, source equipment, and install it to the highest standards. We aim to complete the work with minimal disruption."

If you would like to contact South Bank Stoves phone Wayne at **07739566191** or email southbankstoves@gmail.com

Building independence for young people . . . Become a supported lodgings host

"It's always a proud moment when the young people in my care just call to say hello...", said a North Lincolnshire supported lodgings host who is encouraging others to open their homes and change lives.

Supported Lodgings is a scheme in North Lincolnshire whereby young people who are care experienced - like many young people - need further help, support, guidance and friendship before they are ready to live on their own. The scheme is in place to aid in building independence and confidence in the safe environment of a supported lodgings host.

As a host, you share your home with a young person aged 16 to 24 years and help them to learn and develop valuable skills building independence such as cooking, cleaning, budgeting, applying for work and attending college.

A young person who has experienced supported lodgings in North Lincolnshire, answered questions about their experiences recently including the impact on them and why they believe more people should become hosts.

How has being in supported lodgings aided you and your independence?

"I've learned a lot of things. I think the point of supported lodgings hosts isn't to make you do their

way, it's to help you explore options so that you're not left alone when you're living independently."

Why do you think it's important to have this scheme?

"Because there's not a lot of people that do it.

"I feel like if just more people did it and opened their minds to these kinds of things, the world would be a so much better place, especially for young people like me, but also for the hosts as well, because it can be a good experience for them too.

"I'd say it's not only probably very fulfilling for you, but it's really helping a young person."

BECOME A SUPPORTED LODGINGS HOST

BUILDING INDEPENDENCE for 16-24 year olds

SCAN ME

North Lincolnshire Council

01724 297024 | www.northlincs.gov.uk/supportedlodgings

What would you like to say to your host?

"Thank you - and I mean it because those who I do stay in contact with, I treasure closely, like family, better than family that I have had."

Supported lodgings hosts receive a weekly allowance plus room rent per young person they host, a dedicated support worker to provide ongoing

support and guidance, a detailed training plan and access to support groups for further support and advice as well as regular sessions with other hosts to keep in touch.

You can find out more by visiting the supported lodgings webpage, watch the new supported lodgings video by scanning the QR code, email fostering@northlincs.gov.uk or call 01724 297024.

Barton Upon Humber Lions CIO

Thank you to all of our volunteers, family, friends and members who enable us to continue to arrange events across the year.

Barton Lions only has eight members currently and without external assistance we could not put community events on in the town. This year's Annual Beer Festival was a great success because of the contributions made by these volunteers.

In recognition we presented each of the following with Certificates of Appreciation and they were each asked to nominate a cause that Barton Lions will make a £200 donation to on their behalf.

- Barton Rotary Club - Christmas Meals for Pensioners.
- Barrow Meridian Rotary Club - North Lincolnshire's MIND.
- Friends of the Barton Line - Samaritans.
- The Ropewalk - Barton Volunteers

Siemens Gamesa is still consulting volunteers for nominations.

If you would like to become a member or need to approach us for anything please contact us through our Facebook page. Barton upon Humber Lions CIO.

Barton upon Humber Armed Forces and Veterans Breakfast Club

Sunday July 7, 2024 saw the Barton upon Humber Armed Forces and Veterans Breakfast Club reach its third anniversary. Breakfasts are held at the Barton Town Cricket Club on the first Sunday of each month.

To mark the occasion, we invited Cllr Neil Jacques, Barton's Town Mayor and his wife Monica, the Mayoress. We had them cut the anniversary cake, which Sarah Kirby, (the club's co-founder) made and he said a few words of praise on what we have achieved and how well run we are.

For more details contact Russ Kirby (co founder) on 07725 191857 or [artonuponhumberafvbc@gmail.com](mailto:bartonuponhumberafvbc@gmail.com)
